SECTION D

PACKAGING AND MARKING

D.1 Packaging

D.1.1

Packaging of reports or any items for mail or commercial transport to FDF shall be in compliance with all applicable DOE Orders, federal, state, and local laws and regulations, and sound business practice. Transportation via mail and commercial carrier shall be by the most efficient and economical means that meets the requirements of this contract. All reports and other items, excluding waste material, shall be packaged and shipped in accordance with Attachment J.4.18, General Shipping Instructions.

D.1.2

Pretreated Silo 3 material that is being transported to an off-site treatment facility shall be packaged in accordance with Section C.9.6.2. Packaging of treated Silo 3 waste and secondary waste streams shall be in accordance with Section C.6.2.10 (on-site treatment) and C.9.6.3 (off-site treatment), as applicable. Packaging of dismantlement debris/waste shall be in accordance with Section C.7.2.

D.2 Marking

Each package, report, or other deliverable shall be accompanied by a letter or other document that identifies the contract line item under which the items are being delivered, and the deliverable item number or report requirement that requires the delivered item(s). Any deliverables to FDF, such as reports, shall be documented in accordance with Attachment J.4.18, General Shipping Instructions. The contractor shall include the contract number on the packing list.
